Discussion about how to set up use a portal, direct drop of funds into NAC bank account, need to find a system that doesn't over charge to use it. Prefer a system that keeps your info and one doesn't have to fill out the personal information over and over again Offer mail sign up too. The website will continue to have paper forms and Sue will manage that portion for people who still want to send in their forms.

Beth to explore other options for on line sign ups, payment options etc

-Lynne is now on CVEP board, cohesive vision needed there

-Does NAC want to have shows at CVEP next year, further discussion needed

-Lynn has a beautiful facility that NAC can use with no fee
